## Famous Innovators

Showing off new ideas and projects is like sharing a fun surprise with your friends. Imagine you've made something cool, like a new game or a toy. You can tell everyone about it using pictures, easy words, or even by playing with it in front of them. This helps others understand how awesome your idea is and makes them want to create their own fun things too!

## A Book I Can Read

A great book to read at assembly is one that tells a fun story or teaches an important lesson. It could be about friendship, helping others, or being kind. These types of books are easy to understand and can make everyone think about how we can be better to each other. Reading books like this at assembly can make us all feel happy and learn something new!

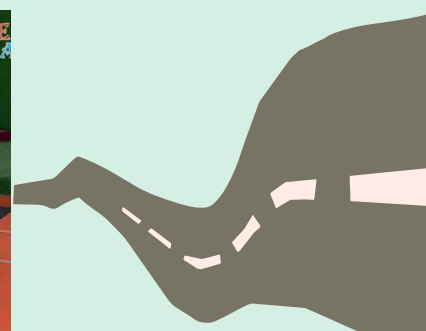

## Recycle day

Recycling is when we reuse things instead of throwing them away. We can recycle things like paper, plastic, and bottles. This helps keep the Earth clean and saves energy. So, next time you have something to throw away, try recycling it to help our planet!

## Road safety day

Road Safety Day is a special day to help everyone learn how to stay safe on the road. It reminds us to wear our seat belts, look both ways before crossing the street, and follow traffic lights. On this day, kids and adults learn how to be careful when walking, biking, or riding in a car. Road Safety Day helps keep everyone safe and happy when they are on the road!

## Spelling Bee

In this spelling bee, children from grades 1, 2, and 3 took turns standing up and spelling words out loud. Everyone tried their best to spell each word correctly, and the audience cheered them on. If someone spelled a word wrong, they sat down, but they still smiled and clapped for their friends. It was exciting to see who would be the last one standing and win a prize. Most of all, everyone had a great time and learned lots of new words!

## International Day

International Day at school is a special event where students celebrate different countries and cultures from around the world. Everyone gets to learn about different traditions, foods, music, and clothing. Some students dress up in clothes from their home country, while others share stories or make posters. There might even be delicious snacks from different places to try! It's a fun way to explore the world
