

KG OCTOBER Newsletter

DIPS, in partnership with parents and community, strives to ensure all students are digitally literate, lifelong learners, productive citizens and nurture their well-being in an inclusive learning environment.

Welcome to our October edition! This month, we had a lot of fun with exciting field trips and educational activities that sparked curiosity and creativity. The children explored new places, learned new things, and enjoyed arts, sports, and science activities.

We're excited to share these wonderful moments with you and look forward to more adventures in the future!
