

KG September Newsletter

DIPS, in partnership with parents and community, strives to ensure all students are digitally literate, lifelong learners, productive citizens and nurture their well-being in an inclusive learning environment.

We're excited to kick off the **2025–2026** school year with your children! Kindergarten is a time of discovery, creativity, and building important foundational skills—and we have so many fun and meaningful activities planned.

Our focus is on creating a safe, welcoming environment where children feel confident to explore, ask questions, and grow. In these first few weeks, we've been:

- **Settling In:** Getting to know one another, learning routines, and building friendships.
- **Learning:** Starting activities that support language, math, social skills, and emotional development through hands-on and play-based experiences.
- **Building Values:** Emphasizing respect, kindness, and responsibility, helping children grow into thoughtful members of our school community.

We're looking forward to a wonderful year ahead!
