OUR BELIEF

At Dubai International Private School – Al Quoz Branch, inclusion is more than a programme we implement, it is a way of life.

We believe that every learner is unique, valuable and capable. We embrace all forms of diversity, including different abilities, learning needs, talents, backgrounds, nationalities, languages, cultures and beliefs. Every student deserves respect, belonging, dignity and the opportunity to reach and achieve their full potential.

WHAT IS INCLUSION?

Inclusion means embracing all individuals, valuing our differences and ensuring equal opportunities for everyone to learn, participate and succeed. It is about creating a safe, respectful and supportive environment where every learner feels seen, heard, valued and empowered.

AT OUR SCHOOL, WE:

Provide inclusive policies and practices across the school

Use high-quality teaching and differentiated learning

Support Students of Determination (SOD)

Offer enrichment for Gifted and Talented learners

Provide social, emotional and behavioural support

Work in partnership with families and the community

Create a culture of respect, acceptance and belonging

WE CELEBRATE...

DIVERSITY

Different cultures, nationalities, languages and backgrounds

ACCEPTANCE

Welcoming and valuing differences

RESPECT

Treating everyone with kindness and dignity

BELONGING

Everyone feels included and valued

EQUITY

Fair opportunities for all

OPPORTUNITIES

Supporting every learner to grow and succeed

OUR STUDENTS SAY...

"I feel accepted and proud of who I am."

"I have friends from different cultures, and we learn from each other."

"Everyone supports me, and I can achieve my goals."

"We are different, but we belong together."

Inclusion is not about fitting in, it is about belonging.

*Different Learners.
Brighter Futures.
Together.*
