

Dubai International Private School

DIS, in partnership with parents and community, strives to prepare every student to be digitally literate, a lifelong learner, and a productive citizen.

22nd Apr 2020

Dear Parents and Students,

Let me express my deep appreciation to you, parents for your support to your children and school and to students for your hard work in pursuing Quality Distance Learning through these tough times. DIS dedication, commitment, and hard work to prepare every student to digitally literate, lifelong learner, and a productive citizen is still going on despite the emergent circumstances of COVID-19. In our Journey of continuous school improvement, DIS has been undergoing the process of getting Cognia Accreditation, a worldly well-known accrediting organization. The Good News is that we got an email from Cognia that the school had been granted full accreditation from Cognia starting on the 17th April 2020 till 17th April 2025. Cognia Letter states:

“Congratulations! We are pleased to inform you that the Accreditation Engagement Review Report has received final approval from the Cognia Accreditation Commission... Once again, we extend congratulatory wishes to your community and look forward to celebrating your continuous improvement journey.”

Furthermore, I would like to call your attention that the school also gained the NEASC Accreditation Candidacy on 19th Nov 2019 and it was supposed to have the full accreditation visit on the 26th April 2020. However, the visit was postponed due to COVID-19 issue.

Congratulations for having the full accreditation from Cognia and the Candidacy from NEASC.

On this occasion, we would also like to extend our thanks to the Board of Directors, the Governance Board, to the Mothers' Council, and to you for the contributions of all.

Being accredited is a significant step in our ongoing school improvement process. With your support, we are sure that we will reach our destination and beyond.

Please, STAY SAFE

Best Regards,

**DIS Superintendent
Dr. Akram Zayour**
